

# Will You Outlive Your Retirement Savings?

Please join us for an informative event.

*With each year, more baby boomers turn age 65 and face a retirement that may last 30 years or longer. But many of these new retirees will have to provide their own retirement income as fewer retirees have a traditional pension plan they can depend on as a source of income.*

## In this seminar on Variable Annuities, you'll learn:

- What a variable annuity is and how it can provide you with supplemental lifetime income beyond traditional retirement sources such as IRAs and 401(k)s
- The key features of immediate and deferred annuities
- Putting money into a variable annuity
- The different types of annuity payout options and factors affecting payouts

You'll also receive a free workbook created just for this presentation. The workbook contains key information, worksheets, and questions to help you remember important points from the seminar.

### When & Where

Event Location:  
123 Main Street or Zoom link  
Wednesday, March 3, 2021  
10:40 AM to 12:40 PM

### R.S.V.P.
