# Social Patrol:

## Checking Your LinkedIn Profile for Authorization

**Sign into your LinkedIn profile to check if Social Patrol is authorized on your account. Follow these 5 quick steps to verify access was granted.**
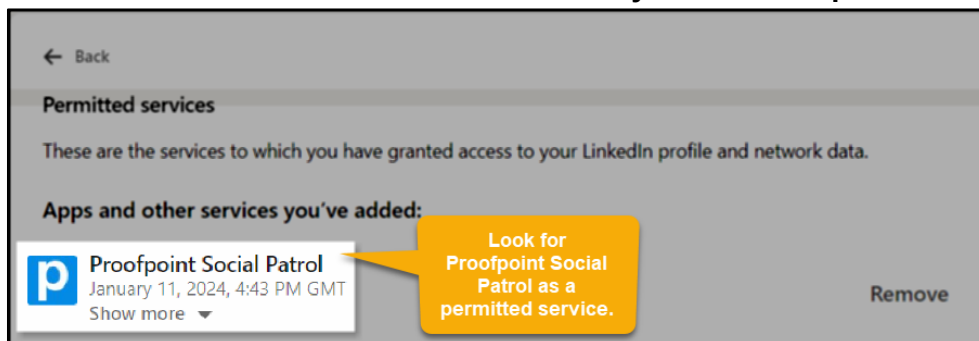

1. **Click on "Me" under your profile picture on the top right corner of the page.**
2. **Select "Settings & Privacy" from the drop-down menu.**

3. **On the left side menu, click on "Data privacy".**
4. **Scroll down to the "Other applications" section.**
5. **Then click on "Permitted services".**

**An example is shown below when Social Patrol is active on your LinkedIn profile.**
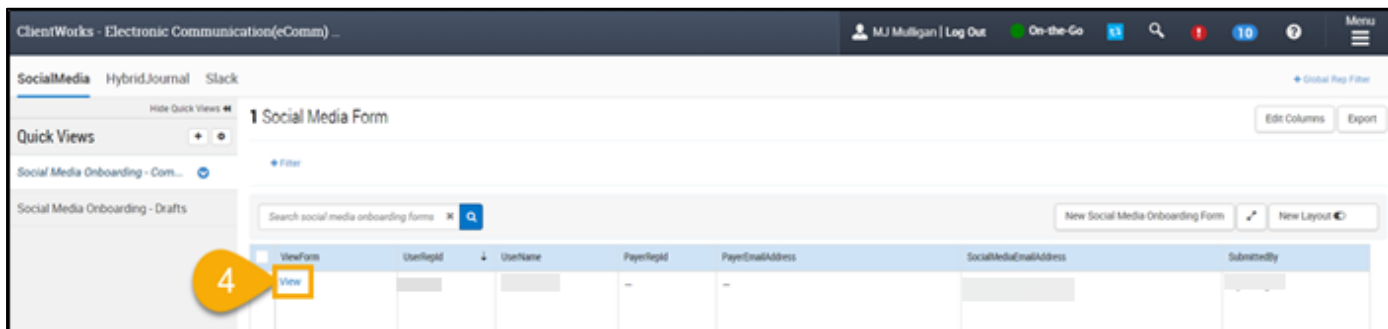

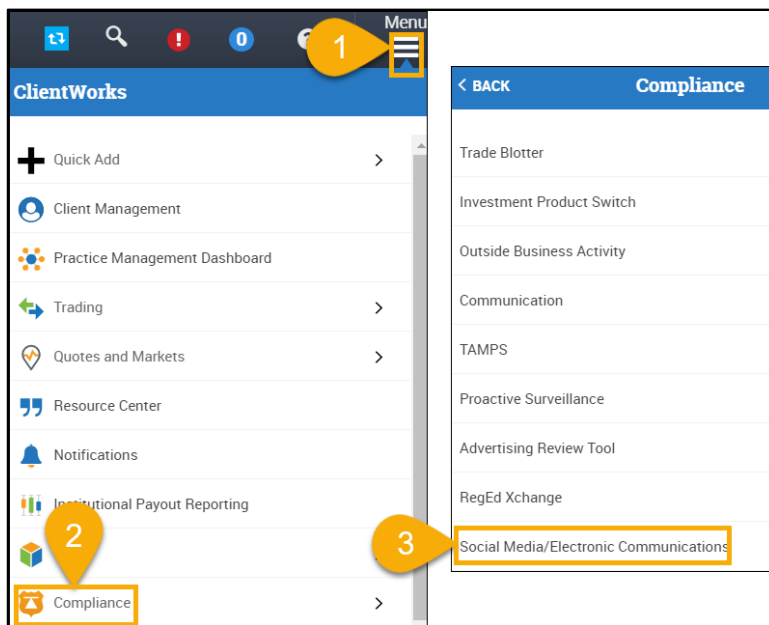

# ClientWorks:

## Checking for the Social Media Onboarding Form

**Check ClientWorks for the completed Social Media Onboarding Form, or access the installation link to authorize / reauthorize Social Patrol on your Social Media account.**

1. **Click on Menu.**
2. **Then select "Compliance".**
3. **Select the "Social Media / Electronic Communications" option.**
4. **Click on "View" to see your Social Media Form if one was completed.**

**Your Social Media Onboarding Request Form will display when it was completed, and a link to install Social Patrol on your Social Media account, if needed.**

If Social Patrol is <u>not</u> monitoring your social media account, use this installation link to grant access.
