

Will You Need Long-Term Care?

Please join us for an informative event.

According to the federal government, a majority of people over age 65 will need some type of long-term care, with a significant number of people needing care in a nursing home.

In this seminar on Long-Term Care Planning, you'll learn:

- What long-term care is and where it's provided
- Strategies to pay for long-term care
- Key features and government incentives for long-term care insurance
- How Medicare and Medicaid factor into long-term care planning

You'll also receive a free workbook created just for this presentation. The workbook contains key information, worksheets, and questions to help you remember important points from the seminar.
