

Retirement Savings Challenges for Women

Please join us for an informative event.

When it comes to saving for retirement and planning for retirement income, women face a number of unique challenges. It's important to recognize these challenges and plan accordingly.

Attend the Retirement Savings Challenges for Women seminar, and you'll learn:

- The importance of planning for retirement
- The need to account for inflation, taxes, and the potential future cost of health care
- The basics of Social Security retirement income
- What you can do now, and steps you can take as you get closer to retirement

You'll also receive a free workbook created just for this presentation. The workbook contains key information, worksheets, and questions to help you remember important points from the seminar.
