

Do You Have a Loved One With Special Needs?

Please join us for an informative event.

Planning for the personal needs and financial security of a loved one who is disabled or has special needs may seem overwhelming, but by proceeding in an organized fashion, you can provide for the security and well-being of a loved one.

In this seminar on Special Needs Planning, you'll learn:

- How to balance your present and future needs with your loved one's present and future needs
- Steps to create and implement personal care, financial, and legal plans for your loved one
- Sources of government benefits
- The role of special needs trusts, including their interaction with Supplemental Social Security Income (SSI) and Medicaid

You'll also receive a free workbook created just for this presentation. The workbook contains key information, worksheets, and questions to help you remember important points from the seminar.
